Libraries Undergraduate Research Award
Application Cover Sheet

In addition to the application cover sheet add the following to your application:

1. 500-750 word reflective essay describing your research strategies and use of library tools and resources.
2. A draft or final version of the research project. Projects in all media are encouraged.
3. A bibliography or other appropriate listing of sources consulted.
4. A letter of support from the WWU faculty member or instructor for whose class the research paper or project was completed.
